

Geography of the Week #402

Name _____

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 Find on a globe and name the seven continents of the world.

2 What is the map symbol for a national capital?

3 In what state does the Mississippi River flow into the Gulf of Mexico?

4 What ocean is west of North America and South America?

5 Draw a compass rose and label the four cardinal directions on it.

6 Which state has the longer border with Canada, New York or Montana?

7 What color on a map would seem to be better for farmland, yellow or green?

8 What river forms a boundary between Texas and Mexico?
