

Geography of the Week #408

Name _____

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 Which continent extends farther south, Australia or South America?

2 Carson City is the capital of what state?

3 Which continent is due south of Italy and Greece?

4 On a map, what do black dots usually represent?

5 Which continent is smaller in land area, Europe or Australia?

6 In general, which state would have the coldest weather: Washington, Georgia, or Oklahoma?
Explain why this may be so.

7 What states would you pass through if you wanted to travel by car from Texas to California using the shortest route?

8 Is the Arctic Ocean larger than the Indian Ocean?
