

Geography of the Week #410

Name _____

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 What two continents are joined in one large land mass?

2 What do colors other than blue often show on the map?

3 What is the capital of New Jersey, the state with the motto "Liberty and Prosperity"?

4 The Indian Ocean touches what four continents?

5 What country forms most of the northern border of the United States?

6 Is China north or south of the equator?

7 Which would take longer, to travel by car from South Dakota to Canada or from South Dakota to Indiana?

8 Which is larger, the Indian Ocean or the Atlantic Ocean?
