

## Geography of the Week #412

Name \_\_\_\_\_

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 What is the capital of Washington D.C.?

2 What two oceans touch the continent of Africa?

3 How many states are north of the equator?

4 What continents does the equator pass through?

5 What four states meet at a common corner?

6 What direction is West Virginia from South Carolina?

7 What mountain range runs from the St. Lawrence Gulf in Canada to the state of Alabama?

8 What kinds of animals usually live in the areas often represented by blue on a map?
