

Geography of the Week #414

Name _____

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 What is the capital of West Virginia, the state known as the "Mountain State"?

2 What continents does the Pacific Ocean touch?

3 What state is due north of Wisconsin?

4 What river forms the border between the states of Arizona and California?

5 Crater Lake, the deepest lake in North America is located in Oregon.
What is our state's capital?

6 Name at least three states on the East Coast of the United States.

7 In what state are the Everglades located?

8 What is the most northern place on earth called?
